Salina, KS 67401

Innovators West Ring & Pinion Form

Please fill out this form completely. Customer service can be reached at sales@innovatorswest.com or 785-825-6166 between 8am to 5pm CST Monday-Friday.

Please include this completed form inside the box with your gear. Once received, we will contact you at the phone number or email listed to go over the services requested, billing and shipping details.

NOTE: When shipping a gear back in for service, make sure the gear is securely wrapped and ensure that the pinion can not contact the ring gear. Damage to gears can and will occur if not wrapped securely. The factory box and packing material is always best.
